STADT RHEINE
Leben an der Ems

Welcome to Rheine.

Are you new in Rheine? Do you want to learn German? Are you interested in sport and exercise, but don't know where to go? Do you have questions because your child is starting nursery school or school?

Turn to the advice and support team for international Rheine residents for help with:

- ...family matters
- ...signing up for school and nursery school
- ...language classes as part of your neighbourhood's Sprachhelfer language campaign
- ...benefits and income support
- ...social and family emergencies
- ...official correspondence and applications
- ...looking for a job

Other services:

- public relations and networking
- international women's cooking groups
- connecting to (athletic) clubs and social organisations
- street parties
- bicycle safety training

The services are available in various neighbourhoods. We sometimes work with other institutions to provide them.

Advice is also available in Turkish, Arabic, Russian, English and French.

Rheine has a special team of dedicated volunteers who are there to help you with your integration whenever you need support.

There are many ways we can help:

- mentors for families and individuals
- language tutors (in addition to language classes)
- school tutors (afternoon homework help)
- help taking care of specific tasks, such as orientation, doctor's visits or understanding the language

Are you interested in contacting a volunteer? Or would you like to offer your help?
